Season 6 Theme - God: Misrepresented and Misunderstood

This season, we are focusing on how God is misrepresented and misunderstood by the Church and by non-believers. First up, God's anger and wrath. Nobody wants to talk about an angry God. We want to talk about His love and kindness, but we see many references to His anger in the Scriptures. Why is God angry and is He angry at me?

The anger of God is not like human anger.

You may have suffered because of someone who is habitually angry. Human anger can often be unpredictable, petty, and disproportionate. These things are not true of the anger of God. God's wrath is the just and measured response of His holiness towards evil.
